

Figure 1 shows a 15x15 grid representing a 2D array of 225 nodes. The grid is labeled with letters A through O across the top and numbers 1 through 15 along the left side. Nodes are represented by squares with different patterns and shades of gray. Some nodes are labeled with text like 'TW', 'DL', 'TL', 'DW', 'A₁', 'M₃', 'N₁', 'E₁', 'S₁', 'I₁', 'A₁', 'C₃', 'H₄', 'N₁', 'I₁', 'Q₁₀', 'U₁', 'R₁', 'E₁', 'S₁', 'H₄', 'Y₄', 'D₂', 'R₁', 'O₁', 'X₈', 'Y₄', 'Z₁₀', 'I₁', 'N₁', 'E₁', 'S₁'. The bottom row is labeled 'Rack' and contains a sequence of nodes: A₁, A₁, B₃, B₃, D₂, D₂, S₁.
